[github.com/Lectrik0](https://github.com/Lectrik0)    [lectrik0.github.io](https://lectrik0.github.io)

## Profile

Final-year B.Sc. student at the German International University, majoring in IT Security, building toward a career in cloud security. Studying for AWS Certified Cloud Practitioner and documenting hands-on cloud and web security work publicly on my site and GitHub.

## Education

**B.Sc. Informatics and Computer Science, IT Security  
major, German International University (GIU)**

Expected 2027

Cryptography, Network Security, Ethical Hacking and Penetration Testing, Digital Forensics, Software and Mobile Devices Security, Business Continuity and Risk Management.

## Experience

## Intern, Ebank

Jul 2026 – Jan 2027

- Six-month internship in a banking IT environment.

## Projects

**Personal site: [lectrik0.github.io](http://lectrik0.github.io)**

2026

- Built a static portfolio with a strict Content Security Policy and Trusted Types, blocking XSS by design.
- Tested it against XSS payloads (event-handler, script and javascript: URL injection); none executed.
- Self-hosted all assets (zero third-party requests) and published an RFC 9116 security.txt.
- Wrote AWS infrastructure as code (S3, CloudFront, security headers) with keyless GitHub Actions deploys via OIDC.

## Certifications

## AWS Certified Cloud Practitioner

In progress

## AWS Solutions Architect – Associate

Planned

## AWS Certified Security – Specialty

Planned

## Skills

**Security:** Web security (XSS, CSP), cryptography, network security, penetration testing basics

**Cloud:** AWS core services, IAM, S3, CloudFront

**Systems:** Networking, Linux

**Code & tools:** Python, Git, GitHub Actions, CloudFormation

## Languages

English (full professional proficiency)

Arabic (native)
